

## BuyFromAChristian.com Announces New Digital Music Download Website

April 15, 2008

Madison, MS: Today, BuyFromAChristian.com proudly announced the release of BuyFromAChristian.com Music, your source for digital music downloads!

What is BuyFromAChristianMusic.com? The site is similar to iTunes® or Wal-Mart® digital music downloads where you pay a price per song or album. But unlike these other sites, at BuyFromAChristian Music, we give 10% of each purchase (roughly \$0.10 of every \$0.99 song purchase) to YOUR chosen church or Christian organization!

Now, you can continue to download songs just as you would regularly for your iPod® or other digital music device AND support your church at the same time!

Just think, if youth groups started using this product, and 100 youth downloaded 10 songs a month-- that would be \$100 for the church! And again, combined with our many other services (business listings, product sales, etc.), it does not take long to see how churches will be blessed by this newest addition to our Christ-Centered Commerce Community!

So how did this music venture come about? BuyFromAChristian.com partnered with PassAlong Networks® to build this portal. Check out a quote from the CEO of this great company.

***"PassAlong Networks is honored to work with BuyFromAChristian.com, an e-commerce community that shares similar beliefs and values as our company," said Dave Jaworski, co-founder and CEO of PassAlong Networks. "We respect the work that BuyFromAChristian.com has done to-date to connect Christian consumers and Christian businesses, and we are excited to help them add digital music to their repertoire of products and services."***
