

BuyFromAChristian.com Releases New Online Garage Sale Feature

May 13, 2007

MADISON, MS- In just three months online, BuyFromAChristian.com has experienced outstanding growth, with over 80,000 page views, and visitors from 49 of the 50 states and multiple other countries including India, Pakistan, Saudi Arabia, Australia, New Zealand, Norway, Ireland, the United Kingdom, France, Germany, Bulgaria, the Netherlands, Malawi, China and Thailand! BuyFromAChristian.com has already been featured in more than a dozen publications and the list continues to grow.

Today we want to let you know about our newest feature, the BuyFromAChristian.com "Garage Sale" Fundraising Center! Touted as an online "garage sale," this new feature allows churches to host online fundraisers, minus the headache of traditional garage sales with the dusty boxes and early morning setup. Plus, unlike a one-day sale where once the day has passed all the unsold items have to be dealt with immediately, this online option allows churches to decide how long they want the "garage sale" to last (from 1 week, to 2 months, to 1 year- you decide!)

The concept is simple and the process is easy! Any seller on the site can request to sponsor a church garage sale. That sponsor then receives a unique identifier code to pass along to everyone who wants to participate in the garage sale. Participants just log onto the site and list their products using this unique code, so that all items donated for that garage sale are recorded appropriately. This is a unique way for small and large churches to raise thousands of dollars to help further the Kingdom of God.

The "garage sale" feature is just another way God will use BuyFromAChristian.com to help churches and Christian organizations. BuyFromAChristian.com began with the unique promise of giving 10% of all of the money paid to the site by an individual user to their designated church. We want to strengthen churches all across the country, and help spread the Good News of Jesus Christ!

At BuyFromAChristian.com, our goal is to provide a place where Christians can support other Christians in business and online commerce. We do not discriminate, in fact we encourage all people of all faiths to visit our site. Just like the church down the street, our "doors" are open to everyone. Yet it is also our goal that all who visit the site will be exposed to the Good News of Jesus Christ!

We seek to provide a safe environment for Christians to buy and sell products, browse through our local, regional, and national Christian business listings, and now to host online garage sales to benefit churches all across the nation. Thanks to this new feature, church garage sales will now be available to Christian consumers all across the nation and world. Plus, many people who enjoy getting up early to shop local garage sales for "treasures" can now enjoy the excitement of searching online garage sales from the comfort of their favorite chair by the computer at home!

BuyFromAChristian.com is currently developing features to allow Christians to shop for real estate, cars, music, and even host online "stores" for their specific products. Remember that of all of the payments you make to our website, we guarantee that 10% will go to the church of your choice!

So if you have not heard about BuyFromAChristian.com, please take the time today to visit our website. Tell members of your church about our newest feature to help raise money for missions, youth, or even a new building. Encourage businesses to join our community and advertise themselves to the Christian market. You can list your business for under \$21 for the whole year!

Most importantly, we ask for your prayers! This site was not built on the backs of million dollar investors, but from a God-inspired vision to provide a website to benefit Christians of all denominations and in all locations.
