

## BuyFromAChristian.com Announces New Travel Website

April 15, 2008

Madison, MS: BuyFromAChristian.com is proud to offer one of our most exciting features to date-- the new BuyFromAChristian Travel website!

All Christians travel, and many travel often!

Imagine a site where you could book travel with the same ease as other major travel search engines (Travelocity®, Expedia®, etc.) AND support your church or favorite Christian organization AT THE SAME TIME! Now you can do both by simply visiting the new BuyFromAChristian Travel link on BuyFromAChristian.com!

BuyFromAChristian.com offers the same competitive prices as any of the major search engines on all your travel needs-- flights, cars, hotels, cruises, etc.

And, our overall commitment remains the same- we want to help Christians support Christians AND their local churches. So we donate 10% of all fees we are paid DIRECTLY to the church or Christian organization of your choice!

So book a flight and support your church! Or rent a car or a hotel room and support your church's ministry with a new avenue of funds- all from the new BuyFromAChristianTravel.com!

Even more exciting, for churches and Christian organizations who sign up with us, they can receive 100% of the fees (less a small handling fee) we are paid as a donation for all of their travel bookings! What a blessing for churches!

BuyFromAChristian.com has partnered with YTB® to offer this exciting new feature. The YTB® interface is easy to use and modeled after Travelocity® and other common travel booking sites.

We really feel this has the potential to bless Christian travelers AND their churches-- DIRECTLY!!!
